- It was proposed at the last AC meeting that we discuss removing the Driver's License number requirement from the library card application. The requirement could be changed from a listed number to a checkbox indicating that an ID was presented when the card was issued.
- Students attending the Pipestone School District currently receive resident cards, even if they live outside of the PCLS region. Should all students at schools in the PCLS region be issued a resident card, or should Pipestone students living in another area pay for non-resident cards?
- A review of the PCLS circulation policy.
